The Assiti were a sophisticated and curious alien race that mastered spacetime, which they

used in making "art". However, their amusement and practice in their "artwork" was dangerous. For example, a minor mistake by the Assiti caused the transportation of the West Virginian town of Grantville and its inhabitants to the midst of 17th-century Europe during the Thirty Years' War, creating a whole new universe. Assiti | Eric Flint Wiki | Fandom The Assiti Shards effect describes the result of a space-time shard created by the Assiti accidentally hitting a terrestrial location. Typically, the shard permanently transported a large piece of land and everything within it through time. In addition, the land being transported may be rotated so that, from the perspective of the people being transported with it, the Sun will appear to
