Education, Adult Education, Homeschool. Types ... Amusement Park Physics Worksheets & Teaching Resources | TpT Step 3 of the suggested method would not apply to this problem since there are no forces directed "at angles" (that is, all the forces are either horizontally or vertically directed). Step 4 of the suggested method involves the determination of any known forces. In this case, the force of gravity can be determined from the equation $F_{\text{grav}} = m \cdot g$. Using a g value of 9.8 m/s^2 , the force of ...
