Power System Engineering By
Cm Welcome to Power System
Engineering (PSE), a full-service
consulting firm for electric utilities,
independent power producers,
industrial facility owners, energy
resource developers, and more.
Since 1974, we've provided
industry-leading engineering,
economic, and planning solutions to
utilities of all types. Electric Utility
Consultants - Power System
Engineering Openings at Power
System Engineering As a result of
our continued growth, PSE is
constantly on the lookout for the
industry's best and brightest to join
our team. Currently, our job
openings include: System Engineer
Whether or not there is an opening
